CASE NO. 7:08-CV-302

**UNITED STATES OF AMERICA’S SECOND SUPPLEMENTAL RESPONSE TO THE
DISTRICT COURT’S ORDER FOR A CASE STATUS UPDATE**

COMES NOW the United States of America and files this supplemental response to the District Court's September 4, 2012, Order to inform the Court on the status of the case; inform the Court of any impediment to resolving the case; and, the prospects of resolution in the near future avers as follows:

The United States intended to file an Amended Declaration of Taking in the above-styled case by March 11, 2013. However, the United States is unable to file an Amended Declaration of Taking today as it is in final review for signature. The United States anticipates filing an Amended Declaration of Taking no later than March 18, 2013.

The United States requests that no scheduling order be issued by the Court in this case until such time as the United States has had a chance to file an Amended Declaration of Taking and determine if the case can be closed without Court intervention. Should Court intervention be

required to close this case, the United States will file a motion for status conference with the Court.

The United States Attorney's Office conferred with Landowner Ediberto Reyna and Linda Reyna via telephone today, March 11, 2013 and they are not opposed to the United States of America's request in this supplemental report.

WHEREFORE, premises considered, the United States prays the Court continue the suspension of deadlines in this matter pending final resolution of the Amended Declaration of Taking and any outstanding issues raised as a result of filing the Amended Declaration of Taking.

Respectfully submitted,

KENNETH MAGIDSON
United States Attorney
Southern District of Texas
